DOC ID: POL002

Version: 1.1

Review Date: 25/10/2026

1. Purpose

This policy outlines how Pegasus Bay Drag Racing Club allocates, manages and publishes points for the PBDRC Season Championship across all eligible classes and events.

PBDRC has a total of four events for the 2026/2027 season and all events are points rounds.

2. Points Eligibility

Every racer (PBDRC Member or non-member) who enters an eligible class will be awarded points as per the points structure.

Eligible classes for PBDRC points:

- Juniors
- Super Street
- Screaming Eagle
- Modified Bike
- Super Sedan
- Modified
- Competition Bike
- Index Comp (Top Street/Sport Compact/Competition Eliminator)
- Supercharged Outlaws

Ineligible classes for PBDRC points:

- Grudge – not a qualifying or elimination class.
- Feature/Exhibition – these classes are run by another group or promoter and points are determined by them. PBDRC host and ensure the class can operate at the event.

Definitions

- **Entry Points** are awarded when a vehicle breaks the startline beam for the first time at each event. *Once you've completed you're first run of the day/first timeslip entry points are added.*
- **Qualifying Points** are awarded to the top 8 qualifying positions. Allocation does not change based on entries.
- **Elimination Points** are accumulative and are awarded for each elimination round won. Allocation and values do not change based on number of entries or rounds.

- **Season Points** are the total accumulated points across all eligible events.

Event Abandonment

Abandoned before eliminations

- Where classes have finished a round(s) of qualifying, racers will be awarded qualifying points. If a class has not finished a round of qualifying, no qualifying points will be awarded.
 - This is based on the round being closed by Race Control, not that every racer entered in the class has fronted the round, e.g. If Q1 has run but a racer chose not to front Q1, the round is still classed as completed. An uncompleted round would be that class is in the middle of their round and then the event is abandoned.

Abandoned during eliminations

- Points will be awarded to the last completed elimination round.
- There are no elimination rounds carried over to the next event.

Points Publication

- Points will be posted on the PBDRC website – www.pbdrc.com
- Points will be posted by 5PM on the first Wednesday following an event.

Contesting Points

- Any racer who believes their points are incorrect must submit a written query to PBDRC at pegasusbaydragracingclub@gmail.com. Only written queries will be accepted.
- Queries must be submitted by 5PM on the second Wednesday following the event (10 days within event).
- PBDRC must review the query and respond within a reasonable timeframe.

Data Source and Automation

As PBDRC is a 100% volunteer run organisation, this season (2026/2027) we are rolling out a software operated points system to reduce the post-event workload on volunteers.

Points are calculated using our Portatree System Points function.

The points structure is set up in the Portatree System and is executed at the conclusion of each event.

Points are verified by personnel before publishing. Manual adjustments will only be made in cases of a verified system error.

PBDRC Championship Determination

At the end of the season, PBDRC will award a 1st PBDRC Champion and 2nd PBDRC Champion title for each eligible class.

These titles are given to the racers who finish the season with the highest and second highest total points in their respective classes.

In the event of a tie on points, equal placings will be awarded.
